

Online Teachers Training Programme

Dear Teachers,

The objective of this online teacher development sessions are:

1. To help teachers understand the concept of digital citizenship and how to be safe online
2. To give teachers an experience of online Google classroom as a student
3. To empower teachers to design their own online class and give feedback

The details of the online course are as follows:

Per Teacher Cost: Rs 1500

Number of Days: 5

This is a 20 hours (5 days and 4 hours each day) online session that has a blended model of face to face interactions and teachers working on their own time and pace online. I have attached the outline of the 5 days.

Please contact Mr. Pragesh Rajkarnikar by email or by phone(details mentioned below) as early as possible and get yourself enrolled. In case of any doubt feel free to call me.
